SPEAKER LAST WEEK

RESERVOIR NEIGHBOURHOOD HOUSE is almost a regular feature in the club bulletin. **Angie Davidson** has been its Executive Officer over the past 10 years. From her early days she has practised family care and community work. She has a uni degree in the field and, due to the recent mental effects of Covid, Angie is now writing a paper on counselling. To hear Angie's talk on the operation and development of RNH was both educational and inspiring.

Beginning with a small community house to connect with the numerous Housing Commission Estates situated in East Reservoir, development into specialised service offerings had to happen. RNH is now heavily involved with people of the area, all with identifiable needs in many fields. Angie gave out many figures demonstrating the material out reach. One example was that in one week of 4 days over 330 hand-outs were possible for a family of up to 4 persons. Such steps de-stresses people and enables them to talk out what other troubles they may be facing. So many residents suffer from Covid outcomes – financial, mental and social.

Often in her talk Angie thanked club members and friends who help RNH stock-up , sort, etc. Food Bank in Yarraville is so well stocked but transport to Reservoir is not possible, hence Preston Rotary transporter-volunteers. So many other fields of regular assistance are being developed – elderly needing podiatry care, people without medical support, even haircuts. It is not strange to meet someone who has not had a haircut in 2 years

Towards the end of her talk Angie described a mural project called **Colour My Neighbourhood** (CMN). Local estates were built in the 50s and while the external grounds are seeming well kept the inner areas often are either badly graphitized or totally unkempt. Through the voice of RNH residents now have been given a voice to update community areas as laundries, some in bad shape since construction. CMN has sought from residents the visual needs, the preferred subjects to be depicted, the colours etc. and now the expert work has started with remarkable success.

VISITORS LAST WEEK: Natalie Au.

Marilyn and Les Woodland.

Certainly a great surprise for members last Wednesday was the visit of Marilyn and Les.

With West Australia's Covid restrictions and also the health challenges for both Marilyn and Les, to see a W.A. numberplate in the car park and then to meet both Marilyn and Les was a big lift to the meeting. Marilyn has found great medical care in Perth as also Les who has joined Perth Rotary.

In a recent visit to Altona, **Joan Roose** met up with **Anne Morton** and **Lenore Thornton**. Anne and Lenore are doing well and send their greetings while Joan returned home with an Altona Rotary Club shopping bag.

CLUB NEWS

PRESIDENT ELECT TRAINING SESSION: Ruth McCall reports that a recent Training Session for P.E.s was of great value. One speaker who was a stand-out was David Parkin. His presentation centred on Adaptable Leadership which Ruth described as "*both honest and inspiring*".

ROTARY AUSTRALIA WORLD COMMUNITY SERVICE has announced the creation of a National Flood Relief Appeal for people impacted by the current floods in Queensland and Northern NSW.

Australians impacted by the recent floods will be the beneficiaries of money raised by the Flood Appeal and will be able to liaise with their local Rotary Club to advise of their needs. The fundraising campaign was launched to support the communities in need after yet another disaster impacting Australians.

“The money raised from the Appeal will go directly and quickly to support those impacted, providing essential items and financial support where Disaster relief and Insurance claims won’t stretch,” said Rotary Australia World Community Service Ltd CEO Andrew Woodward.

RAWCS has registered a Rotary Australia Relief Fund project to seek financial assistance from Rotary Clubs, the public and private sector, with a target of \$1 million dollars. Donations to the RAWCS Relief Fund are tax-deductible.
