ROTARY GRACE

O Lord and Giver of all good
we thank Thee for our daily food.
May Rotary friends and Rotary ways
help us to serve Thee all our days.

SPEAKER LAST WEEK

LIFEMOVES: Wangaratta's **Greg Quinn** is a coordinator for BrainLink and he outlined very clearly the workings of its LifeMoves. LifeMoves is an 8 week structured peer support programme. It enables people living with an acquired brain disorder(ABI) to discuss openly with peers the issues and challenges they face as a consequence of their ABI. In the programme they share their strategies used to deal with them.

The volunteer facilitators are themselves living with ABI. While carers are a principal attention of BrainLink, Greg outlined the recent development of LifeMoves. Persons with ABI and the volunteers discuss their journeys, share their challenges, their hidden problems . . . In short all in the discussions have the same experiences and these discussions help develop a sense of self worth and a more

informed capacity to look after their own needs and also in connecting up with other either unknown or unreachable groups in the community.

Chair David Warry spoke of his enrichment through this peer programme. For David it was *"the most positive input he has had since his stroke"*.

LifeMoves programmes are speedily booked out. Three are already planned for Mornington, Geelong and Coburg with others on the way. Greg's audience was certainly taken with the concept and common-sensical value of Life Moves, as also the massive input of the unpaid growing volunteer staff.

COMBINED CLUBS AT WATSONIA RSL: The Rotary meeting Feb. 18 was a joint evening meeting of four clubs, combined sponsors of Police Officer Andrew Hiem who attended a Mental Health conference in Amsterdam last year. Andrew was joined by Ron Toniolo as guest speakers on the night. Ron works independently with Victoria Police in providing psychiatric assessments of mental patients. Both Andrew and Ron are members of a group - Northern, Police, Ambulance, Clinicians, Emergency Response (NPACER).

This group was formed out of a necessity to cater for the large number of mental health patients being picked up by police in the northern suburbs and being transported in police vans to the Northern Hospital Epping for treatment. The process was causing a considerable strain on the availability of police and vans needed to carry out their other duties in the area as also a huge strain on resources in the hospital. The hospital was built in 2012 to cater for 28,000 patients a year while the current figure has blown out to 69,000 patients.

The formation of NPACER has been a huge success. With the support of the Victorian Government, which in 2014 provided \$15.1m, the ongoing operation is greatly assisting public health in the community.
